

Program Change Proposal

Academic Year 2020-2021

** Major revisions of programs may be interpreted as new programs. According to CCGS, a graduate program is new when more than 50% of the curriculum changes. Consultation with the Associate Dean of Graduate College and the Interim Associate Provost for Institutional Research and Effectiveness is highly recommended at the early stages of significant program revision.*

A. Summary Statement

1. Date: **January 21, 2021**
2. Program code: **AA 5011**
3. Program Name: **Computer Technology Major (A.A.B.)**
4. Name(s) of individual(s) proposing the program: **David Juedes (juedes@ohio.edu)**
5. Home department/school and college: **School of Electrical Engineering and Computer Science, Russ College of Engineering and Technology**
6. Desired semester/year of program change: **Fall 2021-22**
1. A brief (< 250 word) description of the proposed change(s): Minor changes are being made to the Computer Technology Associates degree program to align with the new general education requirements: **The current program specifies that students need to “Complete 3 or more hours from Tier II Social Science (2SS)”. This should be changed to “Complete 3 or more hours from the Pillars or Arches categories PHTC, PHA, PNS, ACSW, ANW, or ACHW.”**
- 7.

B. Detailed Description of Change

1. Describe rationale for proposed change and any impact on program learning outcomes and assessment plans. Indicate if this program has changed since 2015 (during OHIO’s last HLC re-accreditation cycle). If yes, please list the already approved changes in the proposal: **Program requirements must change since they directly refer to the old general education requirements.**
2. Evidence of consultation: **None required.**
3. Provide a detailed description of the proposed changes. . **The current program specifies that students need to “Complete 3 or more hours from Tier II Social Science (2SS)”. This should be changed to “Complete 3 or more hours from the Pillars or Arches categories PHTC, PHA, PNS, ACSW, ANW, or ACHW.”**
4. Including any changes to credit hours and identification of all other academic units impacted by the change: **No courses are being changed.**
5. Provide a comparison table explaining the proposed curriculum alongside the existing curriculum:
