Re: Notification of program delivery change – Interior Architecture Major BFA BF5198

To the Programs Committee,

This memo is to notify all concerned that the Interior Architecture Major (BFA BF5198) will now be offered in two, separate delivery formats – face to face and online.

Attached is a spreadsheet listing the curriculum for both versions of the program. There are no changes to the original program.

The “Initial Inquiry Form” has been completed and sent to Matt Exline, assistant director of program approval operations for the Ohio Department of Higher Education.

Please contact me if there are any questions about this notification.

Sincerely,

A handwritten signature in black ink, appearing to read 'Karla Hackenmiller', with a large, stylized flourish at the end.
