

Sense-of-the-Senate Resolution on Budget Cut Modeling across the University

Finance and Facilities Committee

Faculty Senate

December 11, 2017 - Approved

Whereas the centrality of the academic mission of the university should mandate the level of responsibility of academic and non-academic units in addressing the budget shortfall, and

Whereas the academic units, which are central and critical to the mission of Ohio University, have been asked to model a 7% budget cut for FY2019,

Be it resolved that in the interest of fairness, all non-academic units across the university be required to model, at a minimum, a 7% budget cut for FY2019,

Be it further resolved that the implementation of any budget cuts prioritizes and maintains the academic mission of the university.
