

Programs Committee
Agenda Items for UCC December 11, 2018

SECOND READINGS – PROGRAM CHANGES

1. The Patton College of Education

Program Code: BS6396

Program Name: **Physical Science- Physics**

Contact: Danielle Dani

All changes maintain program alignment with requirements for licensure and accreditation. Currently the program requires a total of 132 credit hours, including 10 credits hours of GEOL courses. The proposed changes do not affect the total number of program hours or the total number of required GEOL course hours.

Replace GEOL 2110 with GEOL 2080. GEOL 2110 has been indefinitely suspended.

Replace GEOL 2550 with GEOL 2550 OR GEOL 2210. GEOL 2210 uses active learning strategies that may be transferable to K12 teaching settings.

2. The Patton College of Education

Program Code: BS6309

Program Name: **Integrated Science**

Contact: Danielle Dani

All changes maintain program alignment with requirements for licensure and accreditation. Currently the program requires a total of 129 credit hours, including 16 credits hours of GEOL courses. The proposed changes do not impact the total number of program hours or the total number of required GEOL course hours.

Replace GEOL 2110 with GEOL 2310 OR GEOL 2170. GEOL 2110 has been indefinitely suspended.

Replace GEOL 1200 with GEOL 1350 OR GEOL 2150. It duplicates the required GEOL 1010 requirement.

Replace GEOL 2550 with GEOL 2550 OR GEOL 2210. GEOL 2210 uses active learning strategies that may be transferable to K12 teaching settings.

3. College of Health Sciences & Professions

Program Code: CTGERO

Program Name: **Gerontology Certificate**

Contact: Julie Brown

The Department of Interdisciplinary Health Studies (IHS) proposes that the undergraduate certificate be restructured to provide a gerontology foundation that consists of select, required gerontology courses. Currently, certificate students are required to select any five courses from a pre-approved list. However, almost a quarter of the courses are no longer available as course options, a third pertains specifically to long-term care (and have pre-requisites), and the remaining courses are a mixture of age-related courses from different disciplines (only three are actual gerontology courses). Thus, it is possible for students to meet the current requirements without ever taking a gerontology course. In addition, there is a practicum/internship requirement that 1) varies in the amount of credits required (3 to 15 credits) and 2) is only readily available to those students enrolled within the major of those internship course listings.

The proposed structure will provide a true gerontology foundation with the requirement of three gerontology courses (9 credits) and two student-selected courses that reflect aging (i.e., older

**Programs Committee
Agenda Items for UCC December 11, 2018**

adulthood) within its content. These two related courses may stem outside of the current course options but selected with the guidance of an advisor and approved by the coordinator. In addition, the internship will not be required since two of the required courses (CFS 4070 and CFS 4660) involve varying levels of community engagement within a gerontological context. There are no anticipated impacts on resources or other departments/colleges.

*Additional electives to those listed in the proposal are listed in the Discussion tab.

4. College of Health Sciences & Professions

Program Code: CTCING

Program Name: **Clinical Informatics**

Contact: Sally Marinellie

Following the acquisition of some market research information, we are proposing revisions to the clinical informatics certificate. Please see the table below for the current and revised programs. The three primary courses in the revised program (IHS 5513, HLTH 6801, and IHS 6803) provide a strong foundational start to clinical informatics. The revisions to this certificate will not have any impact on resources. This is a specialized certificate. The MPA program (Jason Jolley, Director) was informed of this change and did not express concerns. In addition, the BME program director (Doug Goetz) was informed and did not respond with any concerns.

Current program	Revised Program
BME 5100: Medical Informatics (3cr)	IHS 5513: Health Informatics (existing course) (3cr)
HLTH 6801: Health Information Systems and Applications (3cr)	HLTH 6801: Health Information Systems and Applications (3cr)
HLTH 6802: Quantitative Methods in Health Research (3cr)	IHS 6803: New course to be developed in project management entitled Program Planning and Evaluation in Health Care (3cr)
MPA 5590: Measuring Outcomes in Public and Non-profit Organizations (3cr)	Remove
MPA 6800: Seminar in Public Administration (3cr)	Remove
TOTAL HOURS = 15	TOTAL HOURS = 9

SECOND READINGS – NEW PROGRAMS

1. College of Health Sciences & Professions

Program Code: CTX44G

Program Name: **Veterans Health Certificate**

Contact: Sally Marinelle

While Ohio University prepares a large number of health and healthcare professionals with vast clinical roles, e.g., nurses, physician’s assistants, physical therapists, social workers, clinical psychologists, hearing and speech professionals, and physicians, there are no specific academic programs of foci on the special needs of veterans and their families. In fact, there are few academic programs nationwide that provide this focus, and those that do exist are relatively new. The purpose of this certificate is to provide students and/or post-professional health and healthcare workers with a background in advanced and specific knowledge for work with veterans in health and healthcare

Programs Committee
Agenda Items for UCC December 11, 2018

settings. The topics will include, United States military history and culture as it pertains to the individuals' health, the Veteran's Affairs system and common and current medical conditions associated with the military service.

This specialized certificate includes three existing courses for a total of nine credit hours:

IHS 5400: Emphasize the importance of healthcare providers understanding of military culture and history, in order to be effective providers for this population.

IHS 5401: This course examines the current literature and epidemiological data on numerous biological, psychological, social diseases and conditions in military veterans and their families. This course also investigates the challenges regarding diagnosis and treatment of current and former military personnel and their families in comparison to civilian patients.

IHS 5402: The United States Department of Veterans Affairs (VA); including mission, organizational structure, history and evolution are explored with an emphasis placed on veterans' health and healthcare services

2. Russ College of Engineering and Technology

Program Code: CTX71G

Program Name: **Electronic Navigation**

Contact: Jeffrey Dill

For nearly 50 years, Electrical Engineering (EE) faculty associated with the Avionics Engineering Center at Ohio University have taught graduate courses in electronic navigation. However, other than a handful of non-degree graduate students, these courses have been available solely to degree-seeking graduate students in EE. Over the past few years, interactions with colleagues and sponsors in industry have brought to light a need for structured training in electronic navigation at the graduate level without a full Master's degree program. A certificate program in Electronic Navigation would enable engineers in the workforce to gain valuable training in the theory and practice of the field.

A certificate program in Electronic Navigation of 12 credit hours is proposed.

- 1) Inertial Navigation Systems: EE 6033 (3 hrs, required)
- 2) Satellite-Based Navigation Systems: EE 6053 (3 hrs, required)
- 3) Integrated Navigation Systems: EE 6063 (3 hrs, required)
- 4) ELECTIVE (3 hrs):

May choose from:

- a. Aviation Standards, Software Design and Certification: EE 6083
- b. Microwave Theory and Devices: EE 5403
- c. Electronic Navigation Systems: EE 5853

Programs Committee
Agenda Items for UCC December 11, 2018

FIRST READING- PROGRAM CHANGES

1. The Patton College of Education

Program Code: BS8156

Program Name: Outdoor Recreation and Education

Contact: Andrew Szolosi

2. The Patton College of Education

Program Code: BS8109

Program Name: Recreation Management

3. The Patton College of Education

Program Code: MS8135

Program Name: Recreation Management

The Patton College of Education's Department of Recreation & Sport Pedagogy is requesting to change the degree name for the following majors, Outdoor Recreation and Education (BS8156) and Recreation Management (BS8109) from Bachelor of Science in Recreation Studies to a Bachelor of Science in Parks, Recreation, and Leisure Studies.

Similarly, they wish to change the degree name for their graduate program, Recreation Studies (MS 8135) from a Master of Science in Recreation Studies to a Master of Science in Parks, Recreation, and Leisure Studies.

None of the majors are changing their names, just the degree names for the programs listed above.

The proposed degree name change more fully aligns with the Council on Accreditation for Parks, Recreation, and Tourism and Related Professions (COAPRT) through the National Recreation and Parks Association (NRPA).

4. The Patton College of Education

Program Code: BS6397

Program Name: Physical Science- Chemistry

Contact: Danielle Dani

All changes maintain program alignment with requirements for licensure and accreditation. Currently the program requires a total of 132 credit hours, including 10 credits hours of GEOL courses. The proposed changes do not affect the total number of program hours or the total number of required GEOL course hours.

Replace GEOL 2110 with GEOL 2080. GEOL 2110 has been indefinitely suspended.

Replace GEOL 2550 with GEOL 2550 OR GEOL 2210. GEOL 2210 uses active learning strategies that may be transferable to K12 teaching settings.

Programs Committee
Agenda Items for UCC December 11, 2018

5. The Patton College of Education

Program Code: BS6315
Program Name: Earth/Space Science
Contact: Danielle Dani

All changes maintain program alignment with requirements for licensure and accreditation. Currently the program requires a total of 129 credit hours, including 27 credits hours of GEOL courses. The proposed changes do not affect the total number of program hours or the total number of required GEOL course hours.

Replace GEOL 2110 with GEOL 2310 or GEOL 2170. GEOL 2110 has been indefinitely suspended.

Replace GEOL 4460 with GEOL 3300 or GEOL 3400. GEOL 4460 has been indefinitely suspended.

Replace GEOL 3150 with GEOL 1350. Students cannot receive credit for this course and GEOL 3120 (required and designed for Education majors) according to the registrar.

Replace GEOL 2550 with GEOL 2550 OR GEOL 2210. GEOL 2210 uses active learning strategies that may be transferable to K12 teaching settings.

6. The Patton College of Education

Program Code: ME6841
Program Name: Reading Education
Contact: Sara Helfrich

The proposed changes to the graduate Reading Education program will allow for clear delineation between advanced graduate courses in this program and initial licensure courses in other programs within the department. Currently, graduate level courses are offered within the Teacher Education Department that serve students in both the Masters of Reading program and the initial licensure masters program. Given the different needs of students in these programs (advanced learners seeking another teacher education degree v. new teacher candidates), it is necessary to differentiate between these courses. The courses that are part of the proposed change all have UCC approval.

The proposed changes also allow for streamlining of content and integration with program's literacy focus. Two of the courses that will be removed from the program are taught by faculty and/or adjuncts from the Educational Studies Department (Patton College); however, these courses were taught on overload during the summer and only offered to our students during this time, so normal faculty course load will not be impacted. The Chair of the Ed Studies Department has been contacted.

Finally, the proposed changes will lower the credit hour requirement from 36 to 34, allowing us to be competitive with other graduate programs in Ohio and in line with the credit hour requirement of other graduate programs in our department.

Replace EDTE 5200 with EDTE 5201

Replace EDTE 5220 with EDTE 5221

Replace EDTE 5260 with EDTE 5261

Rationale for these changes: Number and name change only in order to a) differentiate between the advanced graduate level course ('proposed' column) and the initial licensure course also labeled EDTE 5200 ('current' column) and b) more accurately reflect the content.

Programs Committee
Agenda Items for UCC December 11, 2018

Replace EDCS 5010 History and Philosophies of Education OR EDCS 5030 Advanced Study of Philosophy in Education OR EDCS 5040 Sociology, Politics, and Change in Education with EDTE 5600 Advanced Studies of Children and Adolescents

More appropriate course given the focus and career goals of students.

Replace EDRE 5010 Introduction to Research Methods with EDTE 6670 Teacher as Action Researcher

7. College of Health Sciences and Professions

Program Code: CTSPNU

Program Name: Sports Nutrition Certificate

Contact: Deborah Murray

Make NUTR 2100 Lifespan Nutrition (4 cr) an elective course instead of a required course. The rationale for this change is twofold. First, this will sharpen the core nutrition course focus to sports nutrition intensive courses. Second, it will expand the interdisciplinary course menu for electives. This change will not have any impact on resource requirements and no patron departments are affected. The total certificate hours is 20 credits.

FIRST READING- NEW PROGRAM/ CERTIFICATE

1. College of Fine Arts

Program Code: CTX80U

Program Name: Actor Musicianship: Music Focus Certificate

Contact: Alan Patrick Kenny

There is a significant demand in the professional theatre world, on Broadway and beyond, for performers that combine great acting technique with professional-level musicianship. Sharing the principles of the Theater BFA in Performance core with the technique and applied skills of the School of Music programs, this program will focus on skill acquisition in both areas, as well as synthesizing these skills together in an Actor Musician workshop. Performance opportunities within the Division of Theater are also possible. The certificate is designed to be completed with a total of 24 credits. The intended audience for students is primarily existing Theater majors who wish to develop the necessary skills for Actor Musicianship outside of their major course of study, and would pursue a Music Focus in the Certificate curriculum. However, a small number of Minor or Non-Major students with talents in these areas will also be considered, and following audition and application, would be placed in either the Music Focus or Theater Focus Certificate Program by the program administrator.

The curriculum will include 12 hours of Core Actor Musicianship Courses, 4 hours of private instrumental lessons (MUS 3xxx) and 8 credits from a list of Music classes (located in OCEAN).

2. College of Fine Arts

Program Code: CTX80U

Program Name: Actor Musicianship: Theatre Focus Certificate

Contact: Alan Patrick Kenny

There is a significant demand in the professional theatre world, on Broadway and beyond, for performers that combine great acting technique with professional-level musicianship. Sharing the principles of the Theater BFA in Performance core with the technique and applied skills of the School of Music programs, this program will focus on skill acquisition in both areas, as well as

synthesizing these skills together in an Actor Musician workshop. Performance opportunities within the Division of Theater are also possible. The certificate is designed to be completed with a total of 24 credits. The intended audience for students is primarily existing Music majors who wish to develop the necessary skills for Actor Musicianship outside of their major course of study, and would pursue a Theater Focus in the Certificate curriculum. However, a small number of Minor or Non-Major students with talents in these areas will also be considered, and following audition and application, would be placed in either the Music Focus or Theater Focus Certificate Program by the program administrator.

The curriculum will include 12 hours of Core Actor Musicianship Courses, 12 hours of Theatre courses.

3. College of Communication

Program Code: ORXX17

Program Name: Advertising and Public Relations Minor

Contact: Charles Borghese

The Advertising and Public Relations minor (18 credits) within the E.W. Scripps School of Journalism offers students introductory knowledge and skills needed to create purposeful communication for an organization (profit and non-profit) to fulfill its mission.

This minor focuses on developing an understanding from consumer insights holistic ideas to give students detailed training in the writing and creation of brand messaging. Currently, the business school offers general marketing courses, more strategy than tactics. The College of Communication teaches tactics, not strategy. This minor fills those gaps.

Required courses

Complete following courses

1. JOUR 2500 – Introduction to Advertising and Public Relations
2. JOUR 3400 – Advertising and Public Relations Research and Theory
3. JOUR 2150 – Mass Media Writing Principles
4. JOUR 4130 – Gender, Race and Class in Journalism and Mass Media
5. JOUR 4820 – Management for Advertising and Public Relations

Electives

Complete one of the following courses

- JOUR 4230 – International and Cross-Cultural Advertising
- JOUR 4530 – Strategic Social Media
- JOUR 3750 – Media Planning and Buying
- JOUR 4710 – Public Relations Planning
- JOUR 4450 – Creative Concepts

No new courses are required. Any course prerequisites come from the required courses.

4. College of Business

Program Code: CTX85U

Program Name: Consumer Research Certificate

Contact: Katherine Hartman

The Consumer Research Certificate provides an opportunity for undergraduate students to develop research skills through in-depth experiential learning courses focused on live-client consumer

Programs Committee
Agenda Items for UCC December 11, 2018

research projects. To complete the program, students must earn 18-credit hours. Through required courses, students will have completed at least three, semester-long consumer research projects for live-clients. As such, the certificate emphasizes experiential learning.

Admission to the consumer research certificate program is competitive. For consideration, applicants will be required to submit a completed application form, a copy of their most recent a copy of their most recent DARS indicating an overall GPA of at least 3.00, and a resume which demonstrates characteristics supportive of a successful consumer research career. In addition, an interview is required.

Total = 18 credit hours

Required Courses (15 credit hours)

1. QBA 2720: Business Analytics (3)
2. MKT 3440: Consumer Research (3)
3. MKT 3790: Marketing Research (3)
4. MKT 4440: Consumer Behavior (3)
5. MKT 4940: Independent Research (3)

Cross Disciplinary Electives (one of the following):

- AAS 4300: Social Theory, Research and Methodology in African American Studies (3)
- ANTH 3010: Visual Anthropology (3)
- ANTH 3500: Economic Anthropology (3)
- ANTH 4560: Ethnographic Methods (3)
- COMS 3420: Qualitative Inquiry in Communication (3)
- COMS 3620: Rhetorical Inquiry and Criticism (3)
- PSY 2120: Research Methods in Psychology (3)
- PSY 3120: Tests and Measurements (3)
- PSY 3330: Judgment and Decision Making (3)
- VICO 3010: Communicating with Data Visualization (3)

5. College of Health Sciences & Professions

Program Code: CTX75G

Program Name: Epidemiology

Contact: Alexander Sergeev

The 9-credit hour Graduate Certificate in Epidemiology is designed to enhance graduate education in epidemiology through gaining the essential knowledge and skills in the design and conduction of epidemiological studies, the analysis of epidemiological study data and interpretation of study results, and their application to curtailing the epidemic of chronic diseases that have become the leading causes of death in the U.S. and globally in the 21st century (World Health Organization: The top 10 causes of death, 2018).

The curriculum includes:

HLTH 6730 Epidemiology in Public Health, 3 credit hours

HLTH 6740 Biostatistics in Public Health, 3 credit hours

HLTH 6791 Chronic Disease Epidemiology, Prevention and Control, 3 credit hours

These three courses cover the scope of epidemiology as defined by the World Health Organization (2018) as “the study of the distribution and determinants of healthrelated states or events (including disease), and the application of this study to the control of diseases and other health problems.” •

Programs Committee
Agenda Items for UCC December 11, 2018

The Certificate will serve epidemiology education needs of both traditional graduate students pursuing a graduate degree at Ohio University (Masters and doctoral students in public health, nursing, translational biomedical sciences, osteopathic medicine, global health, nutrition, physical therapy, health administration, athletic training, and health communication) and working professionals (employees of county and state departments of health, nutritionists, nurses, physicians and other health professionals considering a career in public health or health research, health researchers holding an undergraduate degree in health sciences) who wish to expand their training in this area.

EXPEDITED REVIEW

1. College of Arts & Sciences

Program Code: OR4221

Program Name: Economics Minor

Contact: Shamila Jayasuriya

We propose to add one economics elective, ECON 2020 Gender in the Economy to the list of electives we currently have in the program. Students will continue to choose three classes from the list of electives so there will be no impact on total program hours or resource requirements.

2. College of Arts & Sciences

Program Code: BA4221

Program Name: Economics

Contact: Shamila Jayasuriya

We propose to add one economics elective, ECON 2020 Gender in the Economy to the list of electives we currently have in the program. Students will continue to choose four classes from the list of electives so there will be no impact on total program hours or resource requirements.

3. College of Arts & Sciences

Program Code: BS4225

Program Name: Economics

Contact: Shamila Jayasuriya

We propose to add two economics electives, ECON 2020 Gender in the Economy and ECON 2130 Current Economic Problems to the list of electives we currently have in the program. Students will continue to choose six classes from the list of electives so there will be no impact on total program hours or resource requirements.

4. College of Business

Program Code: BB6127

Program Name: Marketing

Contact: Chris Moberg

Marketing majors are required to complete two three-credit hour electives in addition to the required courses in the major. With the recent approval of several new courses, the department would like the following courses added to the list of electives available to Marketing majors:

MKT 3440 Consumer Research

MKT 3600 Entrepreneurial Sales

Programs Committee
Agenda Items for UCC December 11, 2018

MKT 4100 Sustainability
MKT 4600 Brand Management
MKT 4650 New Product Development
MKT 4780 Sales Strategy & Technology
MKT 4900 Special Topics in Marketing

5. College of Business

Program Code: OR6127
Program Name: Marketing
Contact: Chris Moberg

With the recent approval of several new courses, the department would like the following courses added to the list of electives available to Marketing minors:

MKT 3440 Consumer Research
MKT 3600 Entrepreneurial Sales
MKT 4100 Sustainability

6. College of Fine Arts

Program Code: BF5161
Program Name: Acting
Contact: Brian Evans

7. College of Fine Arts

Program Code: BF5158
Program Name: Playwriting

8. College of Fine Arts

Program Code: BF5200
Program Name: Acting- Musical Theater

9. College of Fine Arts

Program Code: BF5168
Program Name: Stage Management

10. College of Fine Arts

Program Code: BF 5194
Program Name: Theater

11. College of Fine Arts

Program Code: BF 5162
Program Name: Production Design & Technology

The Division of Theater wishes to change courses in the shared component, Theater Core. This proposal is the same for 6 programs:

BF 5158 Playwriting
BF 5161 Acting
BF 5200 Acting—Musical Theater
BF 5167 Production Design and Technology
BF 5168 Stage Management

**Programs Committee
Agenda Items for UCC December 11, 2018**

BA 5194 Theater

Change #1: Remove THAR 1720 (3 credit hours) from the Theater Core requirements. Rationale: All of the learning outcomes for THAR 1720 are currently covered by courses specific to each degree.

Change #2: Substitute two new production design and technology courses for the three courses that currently deliver this part of the curriculum in the theater core. These new courses have been proposed to ICC and further explain how the combined outcomes more efficiently deliver this curriculum. THAR 1390, 1391 and 1392 will be deleted.

Current	Proposed
THAR 1390 (3 credits)	THAR 1393 (4 credits)
THAR 1391 (3 credits)	THAR 1394 (4 credits)
THAR 1392 (3 credits)	

Currently:

BFA FOUNDATION CORE PART 1 - COMPLETE 5 COURSES. THAR 1390, THAR 1391, THAR 1392, THAR 1720, THAR 1730

Proposed: BFA FOUNDATION CORE PART 1 - COMPLETE 3 COURSES. THAR 1393, THAR 1394, THAR 1730

Total credit hour change for all programs will be a reduction of 4 credits of major requirements.

NOTIFICATIONS

1. Program Suspension

Program Code: AA5022

Program Name: Health Technology

Contact: R. Craig Harvey, Ohio University Southern

The Ohio University Southern faculty and Dean Nicole Pennington are requesting to suspend the Health Technology Program (only offered at OHIO-Southern). This action is necessary due to declining enrollments. They are not requesting the program to be removed completely. If market conditions and student needs change a request for reinstate the program would be provide. A teach-out plan for the current students has been articulated.

Programs Committee Review over holiday break.

The Programs Committee will be meeting on January 8th. Because of the holiday break and university closing, the PC will only review proposals received in OCEAN by December 21, 2018. Any proposals submitted after December 21st will be reviewed at the Programs Committee meeting in February.
