CHAIRS REPORT: David Thomas

Thomas called the meeting to order at 3:15p.m.

Thomas welcomed everyone to the seventh meeting of the University Curriculum Council.

Thomas asked for a motion to accept the April 13, 2010 minutes as amended. Brown moved and Cutright seconded. Minutes approved by voice vote.

Thomas congratulated Greg Kremer for winning the Russ College Teaching Award.

Thomas informed the Council he is calling an extra meeting of the Council on Tuesday, May 25, 2010 at 3:10 in Baker Room 231. There are a number of items that have to be taken care of before the two year catalog is published.

Thomas informed the Council that Allan Reilly, Joe McLaughlin, Jeff Giesey and himself have spent many hours at meetings integrating things like People Soft with the academic mission of Ohio University. He thanked the group for their work.

Thomas presented for First Reading the Resolution from the Chair to Re-Establish a General Education Entity in the University Curriculum. A concern was raised that the number of members on the committee was not mentioned. Thomas wanted input before the number was added. He liked to see it six or under. Implementation would begin upon approval. There would still need to be conversation as to what the job of the Committee would be.

INDIVIDUAL COURSE COMMITTEE: Anita James, Chair

James presented the minutes from the April 20, 2010 meeting.

Minutes unanimously approved as amended by voice vote.

Q2S, OCEAN

Jeff Giesey presented an update on Q2S and OCEAN. Binders are being submitted and six of the Binders are at the UCC level. Giesey presented an overview of the workflow for the Binders. Giesey then showed the Council how OCEAN is set up. All members of the Council are able to view the Binders while they are still in the subcommittees. The first and second readings for Binders will occur during the monthly meeting. The question was asked when Binders will be put on hold to be placed on the agenda for the Council to look over before the monthly meeting. A brief discussion followed and it was decided that the agenda should be sent the week before the meeting to give the Council members time to look over the Binders.

If there are new programs that will be started on Semesters, Giesey needs to be informed so he can set it up for the Binders.

PROGRAMS COMMITTEE: Greg Kremer, Chair
