

Sense of the Senate Resolution Supporting Retention and Support of All Faculty

**Executive Committee
Faculty Senate
March 2, 2020 - First Reading**

Whereas the Faculty Senate represents all faculty across all campuses of Ohio University, and

Whereas the budget realignment is projecting the non-renewal of instructional faculty, and

Whereas tenure-track faculty, instructional faculty, and clinical faculty are all engaged in the research and teaching that are at the core of the university's mission, and

Whereas following the passage of the Sense of the Senate Resolution on Budget Cut Modeling Across the University (December 11, 2017) whereby proportional cuts were to be taken by both academic and non-academic units, and

Whereas academic units are being asked to consider budgetary cuts, including but not limited to non-renewal of instructional faculty, at disproportionately higher levels than in non-academic units,

Be it resolved that no non-renewals should occur until the integration of One OHIO is completed.
