Michelle Bryan  
Senior Vice President, Human Resources, Intelsat

Ms. Michelle Bryan is responsible for all aspects of Intelsat's human resources function, including recruiting, compensation and benefits, diversity, organizational development, training and employee relations.

Ms. Bryan has more than 20 years of senior corporate executive experience, both in human resources and legal affairs. Her experience includes the position of Senior Vice President, Human Resources for US Airways, a major airline with more than 40,000 employees worldwide. During her tenure at US Airways, she also served as Executive Vice President for Corporate Affairs and General Counsel.

Prior to joining Intelsat in January 2007, she served as interim general counsel for Laidlaw International, helping its board of directors with governance matters and establishing board and executive compensation programs.

Ms. Bryan is a Magna Cum Laude and Phi Beta Kappa graduate of the University of Rochester. She earned her law degree from Georgetown University.

Intelsat is the leading provider of fixed satellite services (FSS) worldwide. For more than 40 years, Intelsat has been delivering information and entertainment for many of the world's leading media and network companies, multinational corporations, Internet service providers and governmental agencies. Intelsat's satellite, teleport and fiber infrastructure is unmatched in the industry, setting the standard for advanced transmissions of video, data and voice services. With the globalization of content, broadband, telecom, HD and mobile communications fueling next-generation growth, the ever-expanding universe of satellite communications is the cornerstone of today's Intelsat. Real-time, advanced communications with people anywhere in the world is closer, by far.
